FILE HEADING.

Contribution leviable from the Barr Sepoys whose services have been lent to the Sri Smigeri Matt in 1885 to accompany the Swamijahu during his tour.

From

The Comptroller, Mysore Govt.

No. 4460/A.C. 811 Dated 26. 2. 10 Received

Diary No. 1649/12	Enclos.	Spare Copies	Serial No. /

BRIEF ABSTRACT OF LETTER.

Enquires whether the Barr Sepoys are not liable to pay contribution required by Art 411 of the M.S.R. and whether Govt have waived their right of recovering contribution from these Sepoys in Foreign Service and also whether their services are lent throughout the year and during the period the Swamijahu is at the Head Quarters also.

NOTES AND ORDERS.

mp No. 34 dy 2nd April 1885

On a requisition from the Swamijahu of the Sri Smigeri Matt, the Military Secretary was written to in 1885 by direction of the then Dewan Sir K. Sheshadri Iyer that if it was inconvenient for the Regiment to furnish a Pahara of 8 Barr Sepoys to accompany the Swamijahu during his tour -

the necessary additional number might be and equipped by Govt., the Govt paying the cost thereof upon monthly bills. No mention is therein made of the contribution leviable from the Bank Deposit under Art 411 of the Mysore Service Regulations which runs as follows:-

"411. From every Officer transferred under Art 409 and who is not ~~exempt~~ exempted from the operation of the rules in this Chapter, a contribution is levied at one-eleventh of the gross salary which he receives from his Foreign employer not exceeding Rs100 a month and the pension will be calculated upon the balance of salary which remains thereafter the deduction."

"Art 412. From inferior servants the contribution required is one anna in the rupee for pension only."

Art 409 referred to in Art 411 above is to the effect that the transfer of an Officer from qualifying service to Foreign service should be made by the Govt on public grounds and not merely in the private interest of the officer concerned.

Foreign service in respect of an officer of the Mysore Govt is defined in Art 407 to mean that "service which he is allowed to take under an employer who is not under the orders of that Govt and while in such service he is

allowed to maintain his claim to pension in the same way as if he were still in the service of Govt."

Moreover it does not appear from the letter of 1885 to the Military Secretary that the services of the Bhara of Barr Sepoys were lent to the matt throughout the year or when the Swamigalu was at Head Quarters also the communication has reference only to the tour which the Swamigalu was then proposing to undertake.

AG 22.7.10 The Comptroller raises two points in this case viz (1) G.O of 1883 authorises the lending of the Bara sepoys in question & the matter only during the particular tour of the Swamiyah of this Sirkar-mutt & not at other times & when the Swamiyah is at Head Quarters

(2) Whether the pensionary contribution due by Govt under art: 411 of the Mysore Service Regns is not to be paid i.e whether Govt have waived their right to it

J File No. 22 of 1901-2
Police file No. 129 of 1905-6

As for No. (1) G.O No. 7022-3/J.620 dated 7th Nov 1902 and G.O No J 2737-39/Pol 129-2 dy 4.4.06 have authorised the permanent lending of a Bara Force to guard the matt treasury and a Police Force to guard the temple of Sri Varadamba.

Art 411 of M.S. Regs prescribes a pensionary contribution from all Govt officials sent to foreign service which in the case of menial servants is 1 anna in the rupee.

It is a matter for orders whether Govt waive this contribution.

The Comptroller in his communication referred to his Memo. No. 2 of 1902 has therefore been opened. This file relates to the Sri Sringeri Matt

As regards this Matt the Comptroller desires to know if (1) if the Ban exist it is to be permanently continued and (2) if no pensionary contribution is to be recovered from the Sepoys who are deputed for foreign service.

C. Office note in Ct

This file of 1902 will clearly show that it is intended to honour the Sri Sringeri Matt by giving them a Ban guard for which Treasury Sri P N Krishna Murti seems to have thought of remitting the contribution of Rs. 56 that the Matt is now paying. It is not known why this was not done. If now done it would be graceful. The Matt has not asked for it. Even if the question of contribution is not considered we may say that the Ban guard is permanently given and that the right for pensionary contribution is waived. Yes

As regards the Royal Arabian Matt (file No. 578 submitted separately), which pays the entire cost of the establishment we may similarly say that the pensionary contribution is waived.

The pensionary Contribution must be paid by the Trustees, but as they are trustees & not in their own interests, either the Mathas should pay or [illegible] waive it. But as it already [illegible] has gone on so long without a demand for contribution, and as the correspondence seems to have [illegible] that the [illegible] grounds have ceased to exist [illegible] and for would be unjust, I think that it would be better waiving the [illegible] from [illegible] may in our [illegible] under [illegible] 4-11 of the Trusts Regs.

Draft Submitted to Secd Councillor

The Comptroller has referred to this matter and his draft order disposes of both. The Secd Councillor and Secretary have said nothing about the 2nd matter, viz, the loan of the Survey of Bara Lepcha to this Sirkar being permanently.

24.9.1910

It is stated in the office Notes (d. 22.7.10) that the Govt Pargs already passed have authorised the permanent lending of the Bara force. Why shd there be an order again?

Returned

I am not quite sure that this portion of the office draft is quite correct. The order herein referred to No 2737-39 dd 4.4.1906 is marked A P.W. 29-2-01 & does not say that the loan is permanent. Nor does the order of 1902 say so. Therefore that says that pending the settlement of the question the Bara guard should be continued. The question does not appear to have been finally settled. Both these orders were communicated with a

In inviting attention to the marginally noted Govt Orders sanctioning the supply of Barr Sepoys to the Sree Smigeri and Raghavendra Swami Matts, I have the honor to state that no contribution is levied from them and no mention thereof is made in the orders quoted and to request therefore that you will be so good as to intimate whether the Barr Sepoys whose services are lent to the Matts are not liable to pay contribution required by Article 411 of the Mysore Service Regulations (III Edition) or whether the Govt have waived their right of recovering contribution from these Sepoys in Foreign Service.

Further, the Govt Order of 1885 quoted authorises the lending of these Sepoys to the Matt only during the particular tour of

the Govn then being undertaken and does not
generally authorise such lending throughout
the years and during the period the Govn is at

Order thereon No. J.2757-58/Pol.1 - dated Bangalore 4th April 19

- - - - - - - -

In accordance with Government Order No.7082-7/J.3?0 dated the 7th November 1902, the Sringeri Mutt is given a Sepoy Force to guard its Treasury and a police guard of six constables from the special Reserve Force of the Shimoga District to guard the temple of Sri Saradamba. Since the abolition of Shimoga as a station for the special Reserve Force, the contingent required for the Mutt has had to be sent from Bangalore. This it is represented, involves great expense and inconvenience. Government, while considering it inexpedient to withdraw from the Mutt the privilege of a Police Guard, are pleased to approve of the Inspector General's proposal to furnish the guard from the Shimoga District Reserve, the men being changed every two months.
